

## Symposium

“Societal Impact of Pain” (SIP) 2016:

# TIME FOR ACTION

Due to the limited space available and restriction on number of external visitors to the European Parliament, participation at SIP 2016 will be confirmed by the organisers after first-come, first-served basis. Seats will be assigned to active participants (e.g. speakers, working group members) first, the remaining seats will be assigned on a first-come, first-served basis. Participation is free, although participants will need to cover their own travel costs.

For registration: <http://www.regonline.co.uk/sip-2016>. After receipt of application for registration you will be notified on the status of your registration.

The scientific framework of the “Societal Impact of Pain” (SIP) platform is under the responsibility of the European Pain Federation EFIC®. Cooperation partners for SIP 2016 are Pain Alliance Europe (PAE) and Active Citizenship Network (ACN). The pharmaceutical company Grünenthal GmbH is responsible for funding and non-financial support (e.g. logistical support). The scientific aims of the SIP symposia have been endorsed by a large number of international and national pain advocacy groups, scientific organisations and authorities.

For further information, please visit the SIP website at: <https://www.sip-platform.eu> or contact per e-mail: [sip-platform@grunenthal.com](mailto:sip-platform@grunenthal.com)
